

G. Whiz... I Finished My Homework!

It's like having Mom looking over your shoulder...
without the nagging.

Parents, Guardians, and Teachers:
It's time to *walk away*.

Students:
It's time for you to take control of your own homework.
No more nagging, no more yelling, but
no more excuses either.

Each *G. Whiz... I Finished My Homework!* Program
includes

- ✓ A CD-Rom that allows you to view and print out
 - ▶ Complete instructions
 - ▶ Sample worksheet
 - ▶ Easy-to-Use Worksheets
- ✓ A special timer to monitor time on task

How Does This Program Work?

G. Whiz...

I Finished My Homework!

explains the 12 simple steps that help students organize themselves, so they gain independence and efficiency.

G. Whiz...

I Finished My Homework!

gives the responsibility of planning homework time to the student, so that homework is no longer part of a power struggle.

G. Whiz...

I Finished My Homework!

supplies the structure needed to get organized, so starting homework is not intimidating any more.

G. Whiz...

I Finished My Homework!

enables students to pace themselves, stay on-task, control impulsivity, and complete assignments as they literally watch the time counting down on the special timer.

G. Whiz...

I Finished My Homework!

reduces the pressure, anxiety, and frustration of homework time.

G. Whiz...

I Finished My Homework!

is a system that helps students learn to structure themselves to finish quality homework independently and in a timely fashion.
